DAN & NOREEN MCGAFFEE MISSIONARIES TO MALAWI

## Bible College Life

Lunch hour and tea breaks keep the students happy! Below left is the Pentateuch class and to the right Pauline Epistles.

These are pictures of a village church in Mwanza in the extreme southern region of Malawi. They have plans of building in the new year! We are able to get into many areas like Mwanza. Please keep praying for the outpouring of the Life of the Spirit so they can be free to believe on Jesus!
